

# “Kataribe Bus” to remember the disaster

Preparation to reduce disaster, Messages to you,  
Our experiences to the future.

## Our first mission is to let you know.

We are running Kataribe “Bus” in order to remind the visitors of the disaster experienced directly by ourselves. The guide started in 2011. We are showing not only the situation of town, but our real experiences and what we have learned.

### 【Sample course】
